LAKEVILLE CITY BALLET AWARDS 2009 STUDENT DANCER RECOGNITION SCHOLARSHIPS

Lakeville City Ballet is proud to announce and extend heartfelt congratulations to the recipients of its 2009 Student Dancer Recognition Scholarships. The purpose of these scholarships is to recognize excellence in the art of dance by persons in our community; to provide financial support and tangible encouragement to young dancers so that their development might continue; and to identify area dancers who are dedicated to making dance training, education, and performance a central part of their lives. Eligible applicants must have recently performed with Lakeville City Ballet or participated in a program or event sponsored by Lakeville City Ballet, and been accepted into a recognized summer intensive dance program in 2009. The Grant winners—\$750 and \$500 each—are area students who have distinguished themselves by demonstrating excellence, commitment, and dedication to the art of dance.

This year's recipients are: **Nicole Brown** (Lakeville); **Carolyn Kalscheur** (Lakeville); **Deidre Mattingly** (Burnsville); and **Janae Korte** (Prior Lake).

These talented dancers will also be appearing in Lakeville City Ballet's annual "The Nutcracker" ballet coming up on Thanksgiving weekend. Congratulations to you all!
