

2009 LCB Photos and Video Information

Portraits are taken during the dress rehearsal on Sunday, November 22, 2009 at Lakeville South HS. The portrait studio is on the upper level of the common area outside the theater. You'll see it when you walk in. Group shots and photos of family and friends are available. There is no scheduled time, just come up when not required to be on stage or watching.

Portraits and performance photographs are ordered online: <http://prints.trayersphotography.com/g/lcb>. You can order prints from sizes ranging from 4x6 up to 24x36 and larger. Other photo products, such as mugs and mouse pads, are available. Soon to be added to the website are photo cards and digital downloads. Both luster and glossy finishes are available. Orders are taken via a secure web site and are shipped directly to you. See the web site for more information.

Custom cropping and Photoshop re-touching (removing blemishes, etc.) is also available for an additional fee. Custom cropping is \$10.00 and minor Photoshop work is \$10.00 per image. Contact Dave for pricing for other work.

Photos from past performances (2005 onward) are still available.

Photos will be available for viewing within 3 days of the performance. DVD's will be shipped within four weeks. We'll try to ship in time for Christmas, but cannot guarantee they will arrive by then. Photos need to be ordered before 12/8/09 to ensure delivery by Christmas.

2009 Performance DVD Order Form

Name: _____

Address: _____

City: _____ State: _____ Zip: _____
